# State & Federal Benefits Assistance

FEDlogic

We have partnered with FEDlogic to provide state and federal benefits information and advocacy to you and your household members.

**The service is free, unlimited, and confidential!**

**Get help navigating resources that you may be eligible for, such as:**

- Medicare
- Medicaid
- Disability
- Social Security Retirement
- Child Benefits
- Widow Benefits
- Veterans Benefits
- Supplemental Security Income (SSI)
- Healthcare.gov (COBRA alternatives)
- End Stage Renal Disease
- ALS (Lou Gehrig's Disease)
- Cancer or Terminal Illness

**Here's how it works:**

**① Make a phone consultation appointment.**

Call to schedule time with a federal and state benefits expert. Invite your family to join. Calls typically last an hour.

**② Tell us your story, ask questions, and learn.**

Experts will listen to your story and understand your needs, then empower you with unbiased information so you can make the best decisions for your situation.

**③ If qualified, get enrolled.**

Once you feel confident with the information, experts will walk you through the application and approval process.

**④ Enjoy peace of mind.**

Now you know you have access to assistance programs created for situations like this.
